Dear Ms. Sarangi,

With reference to the above claim, our medical team requires further information before a decision can be taken. Kindly furnish the discharge summary along with the indoor case papers, and also provide all laboratory reports supporting the diagnosis, including the NS1 antigen report and serial platelet counts for the period of hospitalisation.

Further, the pharmacy bills submitted must be accompanied by the corresponding prescriptions from the treating doctor. You are also requested to confirm in writing whether you hold any other health insurance policy that covers this hospitalisation.

Please treat this letter as a formal request. Your claim remains under process.

Yours faithfully,
Authorised Signatory
